The School of Veterinary Medicine at the National Taiwan University seeks applications for a full time faculty member at the rank of Instructor or above in small animal clinical medicine. Applicants must have clinical experience or have finished residency training. Professional experience in veterinary diagnostic imaging, cardiology, emergency and critical care, dentistry, or behavioral medicine is preferred. The position includes responsibilities for undergraduate and postgraduate teaching. Faculty rank and salary are commensurate with the candidate's professional qualifications. The position will start at 1<sup>st</sup> of August, 2010.

Minimum requirements include BVM or DVM degree, with MS or PhD degree, and veterinarian certificate of R.O.C.. Documents required for application include:

1. Three copies of curriculum vitae and one copy of ID card
2. One copy of the degree diploma
3. One copy of veterinarian license of R.O.C.
4. Three reference letters
5. Three copies of a representative publication

The publication must fulfill one of the following requirements.

(a) A full research article published after 30<sup>th</sup> June 2007 in a SCI-listed journal. The applicant must serve as the first author or the corresponding author for the article. A verification letter of the co-author's contribution to the article should also be accompanied.

(b) The applicant's PhD or master thesis finished after 30<sup>th</sup> June 2007.

6. Three copies of other scientific publications within the past five years (maximum five publications)
7. Three copies of a publication list
8. Three copies of the title and lecture outline of a teaching subject
9. Document of clinical experience in small animal medicine, such as certificate of residency training or diplomate certification

Application closing date will be 17<sup>th</sup> March, 2010. Application inquiries and documents should direct to Ms. Chia-Ning, Hsu. For more details and the Mandarin version of the application requirements, please visit our website at <http://www.vm.ntu.edu.tw>.
