

The School of Veterinary Medicine at the National Taiwan University has a faculty position open on the field of parasitology and related fields starting from 1<sup>st</sup> August 2018. The candidate, who is preferred to be a veterinarian, is expected to teach the course of veterinary parasitology. The candidate who can cover the course of clinical parasitology, animal welfare or biostatistics would be a plus. All candidates must have a Ph.D. degree with two years' postdoctoral experience. The candidates should also provide at least one representative full paper, in which he/she serves as the first or corresponding authors, in a SCI-listed journal (or Ph.D. dissertation) published after 1<sup>st</sup> August 2013. The starting levels, from assistant to full professor, will commensurate with the candidates' qualifications. Application package must include 3 copies of the curriculum vitae, 1 copy of ID card (or passport) , 1 copy of the degree diploma, 3 letters of recommendation, 3 copies of the representative publication (see above) together with verification of co-author's contribution to the applicant's representative publication (form available upon request), three copies of a maximum of 5 additional publications within the last 7 years, 3 copies of the publication list, 1 copy of the title and outline of the courses to be offered. Please direct application and inquiries, before March 31 of 2018, to Miss. Chen (huijenn@ntu.edu.tw; tel: 886-2 - 33663762 ; fax: 886-2-23661475) at the department office at No. 1, section 4, Roosevelt Rd., Taipei, 106 Taiwan. Web page: <http://www.vm.ntu.edu.tw/DVM/>
