

The School of Veterinary Medicine at National Taiwan University has one faculty vacancy (on animal histology) to be filled on 1st February, 2017. The candidate is expected to teach animal histology, those with experiences in morphology, TEM and SEM being the priority choice. The candidate must have a biomedical or veterinary Ph.D. degree with at least one representative full paper, in which he/she serves as the first or corresponding author, published by a SCI-listed journal (or Ph.D. dissertation) after 1st February, 2012. The starting levels, from assistant to full professor, will be commensurate with the candidate's qualifications. Application package must include 3 copies of the curriculum vitae, 1 copy of ID card (or passport) , 1 copy of the degree diploma, 3 letters of recommendation, 3 copies of the representative publication (see above) together with verification of co-author's contribution to the applicant's representative publication (form available upon request), three copies of a maximum of 5 additional publications within the past 7 years, 3 copies of the publication list, 1 copy of the title and outline of the courses to be offered. Please mail all of the items of the application and inquiries directly to Ms. Chen (huijenn@ntu.edu.tw; tel: 886-2 - 33663762; fax: 886-2-23661475), before August 25 of 2016, at the School of Veterinary Medicine, National Taiwan University, No. 1, Section 4, Roosevelt Rd., Taipei, 10617, Taiwan.
