

The School of Veterinary Medicine at the National Taiwan University has one faculty position on veterinary pathology available from 1<sup>st</sup> February 2016. The candidate, who must be a licensed veterinarian in Taiwan and has pathological diagnostic experience, is expected to teach Veterinary Pathology and be involved in the routine pathology service rotation, including surgical pathology and necropsy. All candidates must have a Ph.D. degree with at least one representative full paper, in which the candidate serves as the first or corresponding authors, in a SCI-listed journal (or Ph.D. dissertation) published after 1<sup>st</sup> February 2011. The starting levels, from assistant to full professor, will be commensurate with the candidate's qualifications. Application package must include 3 copies of the curriculum vitae, 1 copy of ID card (or passport) , 1 copy of the degree diploma, 3 letters of recommendation, 3 copies of the representative publication (see above) together with verification of co-author's contribution to the applicant's representative publication (form available upon request), three copies of a maximum of 5 additional publications within the past 7 years, 3 copies of the publication list, 1 copy of the title and outline of the courses to be offered. Please mail all of the items of the application and inquiries directly to Ms. Chen (huijenn@ntu.edu.tw; tel: 886-2 - 33663762; fax: 886-2-23661475), before September 4 of 2015, at the School of Veterinary Medicine, National Taiwan University, No. 1, Section 4, Roosevelt Rd., Taipei, 10617, Taiwan.
